He had a great diocese committed to his care; he had promised Madame Elisabeth, then in prison, never to desert her, and he could not abandon his mother and sister, still living in Paris. Perhaps it was because the National Assembly required all men, including clergy, to swear allegiance to the new French civil constitution. Ussher Edgeworth, the abbé's brother, residing in Ireland.

History Ireland

The king read him his will, inquired for certain ecclesiastics, and then passed into the adjoining room for his interview with his family, whose piercing sobs Edgeworth could hear through the glass door.

Edgeworth de Firmont, Henry Essex 1745

Henry was educated by the Jesuits at Toulouse, before going to Paris to study for the priesthood. He thus became involved in the convoluted negotiations between Napoleon, the British government, the pope and some senior French clergy to restore Louis to the French throne. Firmont was in great danger after the execution but the soldiers had no orders regarding him.

[Abbé] Henry Essex Edgeworth

After ordination he worked among the poor of Paris and changed his name. On the removal of her confessor, Madame Elisabeth, sister of the ill-fated Louis XVI, requested the superior of Les Missions Etrangères, where the abbé resided, to recommend her another and he unhesitatingly selected the Abbé Edgeworth. In 1749 his father converted to catholicism and the family emigrated to France.
