business

The other day we decided to try out having our personnel department handle certain requests that traditionally had been handled by the production people. Tie your goals to actions, not outcomes.

Creative Director vs. Art Director: Drawing the Line Between Commonly Confused Creative Careers

In her research, Hart didn't find anyone doing similar work online. One has only to look at the Department of Health, Education, and Welfare for an illustration of this phenomenon.

Difference Between Art and Craft

It offers a critical, multi-disciplinary approach to a range of faiths and spiritual experiences.

Small Business Management for Craft Professionals

If you have to work with that person on a continuing basis, macho confrontations complicate life immensely. Nowadays, any cultural organization need to abide by strict organizational rules to run properly.
