III 14 shows difficulty in depicting a lion's head. Reproducción facsímil de la Primera edición de 1489. PALACIOS FERNÁNDEZ, Emilio: Caracterización de los personajes en las Fábulas de Samaniego.

Creighton University :: Aesop's Fables: 1400 to 1799

The Fable of the Bees: Or Private Vices, Publick Benefits. PINTA Y LLORENTE, Miguel de la: La Inquisición española y los problemas de la cultura y de la intolerancia.

Maximus Planudes

Madrid, Leonardo Núñez, 1817, 2 vols. I have ordered an inexpensive print-on-demand xerox of this book and will add that to the collection.

Bibliografia

This little book is a find whatever it finally turns out to be! Navarro, Carmen 1993, «Notas a la iconografía del Isopete español», Quaderni di lingue e letteratura, 18, pp. The good news is that the title-page and fable contents are intact, even if the spine has deteriorated and several early pages are lost.

Esopete ystoriado

Here is a great little addition to the collection. Atti del Seminario internazionale di Verona 29-30 maggio 2006, 30, 2 2006, 297-309. The mention comes as Berganza is relating to Cipión his service to a rich merchant and his family.

Creighton University :: Aesop's Fables: 1400 to 1799

The one shortcoming of its condition is that the title-page seems to be a xerox copy. *Liberti Fabularum Æsopiarum Libri V.*

**ESOPO. FÁBULAS de Esopo. Madrid. 1929**

My guess then is that this copy is a second edition, whenever that was between 1722 and 1731.

**fábulas de esopo reproducción en facsímile de la primera edición de 1489**

Reproducción en Facsimile de la Primera Edición de 1489.
