### Collection

Old Master Drawings are often intricately linked with the history of the country in which they were produced: in the 17th century, for example, the Netherlands was an iconoclastic Protestant country, so there were almost no commissions for religious paintings — and, with no real aristocracy, King or court, most art was bought privately. Featured in Caption: Reproduction of Dolley Madison's furniture Dolley Madison's Baltimore Furniture Appraiser J. Cyril died in 2010 and Shirley at the beginning of this year.

### Drawings

The most difficult loss for Hemingway was a fragment of his novel A Farewell to Arms.

### Collection and research

After binding and handcuffing the two security guards who allowed them to enter the museum, the thieves spent the next hour and a half systematically going through the museum and removing 13 works of art. Highboys became popular in the 18th century, when Philadelphia, then the largest city in North America, attracted the finest craftsmen from America and Europe, who brought their great skills along with the latest styles to that city.

### Will the British Museum Ever Return These Stolen Artifacts?

He was one of the greats, but burned out very fast amid problems with drinking, gambling, and drugs; he died at the age of 40. Cadwalader's furniture was carved in the very highest, most elaborate fashion of the day, the Chippendale style.
