Dreyfus, Alfred 1859

He served briefly as Vice President of the High Court of Justice and did work in the national radio and television system, serving as President of the state monopoly from to. Colonel Jean Sandherr, became aware that information regarding new artillery parts was being passed to the Germans by a highly placed spy, most likely to be on the General Staff. Light rubbing wear to cover, spine and page edges.

Captain Dreyfus: The Story of Mass Hysteria by Nicholas Halasz

No stranger to controversial subject matter, Ferrer had previously directed *The Shrike* 1955 in which an emasculating wife drives her husband to a nervous breakdown and *The Great Man* 1956 where a beloved television star is revealed to be a despicable phony. About this Item: Simon and Schuster, New York, 1968.

Alfred Dreyfus

When the courts will not deal wit The narrative of an extra ordinary imbrollo in late 19th centruy France. The minister of war had Picquart arrested again and then had the questioned document, the letter from the Italian to the German military attaché, examined.

0671200291

A re-examination of the Dreyfus affair is concerned not only with the procedures or rather lack of through which an innocent man was convicted by a military clique, but also with the larger issue of prejudice which was to involve the conscience of a nation and incite Zola's famous 'accuse. They had gone on to assert what had actually been relied on but what responsible men had not dared to say: that his being Jewish was itself evidence of his spying.
