Tombeaux Game

Les tombeaux princiers ont livré une très belle céramique confirmant le rôle primordial des libations dans une symbolique de renaissance.

Saadian Tombs

The space between the column groups is spanned by wider muqarnas arches carved in stucco, but the or corbels on which their bases rest are also made out of marble.

pluriel

. Musurgia: Analyse et pratique musicales 12, nos. The loggias are triple-arched: a canopy forms an arch resting on stucco-carved pillars that in turn rest on marble columns, with smaller muqarnas-carved arches crossing the space between the columns and the main walls of the structure.
