Retribution refers to independent moral justification especially when punishing a criminal.

Adverse Childhood Experiences (ACEs)

Although some people claim it is unbiblical, the legal justice system is developed to pass judgment here on earth based on the sins committed inflicting pain and anguish on innocent citizens. Thus, a premeditated murder involves the victim and the courts failing to show any leniency, hence applying capital punishments. Me, by a couple of rounds fired from a gun about 2 feet away, into my chest and thigh.

Thus, threats and punishments are essential in deterring crime. The thugs terrorizing an otherwise good and decent neighborhood, home to dozens of good, decent African American families trying to raise those families in communities not protected by gates and security guards. In 1991, a young mother was left helpless and in pain after a killer ensured she watched the execution of her baby.
