Graduate Certificate in Women's Studies

Vevey: Editions de l'Aire, 1993.

Graduate Certificate in Women's Studies

Most crucially she was concerned to undermine the supposed naturalness of certain binaries; insisting on a breaching of boundaries between human and animal and between animal and machine. Of key importance in this regard has been the assumption that there are simply two sexes, male and female, a model which has come increasingly under challenge. Santiago de Compostela: Biblioteca Universitaria, Universidade de Santiago de Compostela, 1993.

Journals in Project MUSE

Undergraduate library collection use and diversity: Testing for racial and gender differences.

Graduate Certificate in Women's Studies

Call Number: Ref HQ 1111. Habitzel, Kurt, and Günter Mühlberger. The activist health sciences librarian.

Arthurian Studies

Standpoint theory, assumes that power lies solely within the hands of the male gender as the process of decision making in society is constructed exclusively for, and by men. Wiesbaden: Ludwig Reichert Verlag, 1992.

Bibliographies in Gender and Women's Studies

Female sexuality is celebrated for its power and its supposed capacity to escape from structures of dominance and submission, Rich 1979.
