## Origin and Development of Trade Unions in India

In 1962, a new organisation called Confederation of Free Trade Unions CFTU was formed with the support of Swatantra Party.

## 6. Size and Finance of Indian Trade Unions

Fonseca, Wage Determination and Organized Labour in India, 1964. These are broadly of three types: i.

## Trade Union related laws in India

Trade Union in India — Functions The functions of trade union can broadly be divided into two categories — protective or militant and positive or ministrant.

## History and development of trade union in India

All workers who are not members of that union might either operate through representative union for the industry or seek redress directly. Though the unions lose registration because of non-compliance with statutory provisions, the non-compliance itself is closely linked with lack of funds. Moreover, paucity of funds also hamper the welfare activities of the unions.

## 10 trade unions to skip today's meet with government on labour codes

A meager amount around 5 per cent is spent on trade disputes. The Trade Union movement in India has emerged due to Industrial Revolution, as a result of growing complexities of an economic structure of the country.

## Role of Trade Unions in India

What are trade unions or labour unions? Hence the cancellation of registration was valid. In India, every factory does not have a trade union.

Trade unions once recognized are conferred certain rights but the trade union as such has no inherent right by itself to be recognised, it is the discretion of the management to recognise any such trade union.

### **Origin and Development of Trade Unions in India**

As a result, the employees are unable to derive the benefits of collective bargaining. Methods Of Recognizing Trade Union Certain criteria has to be complied with for a trade union to be recognised. He has no authority to ask for any of the parties to lead evidence and to give opportunity to the other party to cross examine any witness.
