The two main links to the previous story include the judge Silvia Conti, who wants to find the murderers of Corrado Cattani, and head mobster Tano Cariddi, who continues to engage in criminal activities. Blogul meu contine mai multe categorii menite pentru a gasi informatii importante din mai multe domenii. It was also broadcast on in the United States.

## Vuferi

The season ends with Tano, having escaped an attempt on his life by his previous confreres, the Linori family, flees Sicily with his sister, ostensibly for good. Investigative judge Silvia Conti watches Ramonte giving his first television interview on the steps of the courthouse, in which he openly threatens his enemies.

## Veliki izbor hotela sa popustima na svim glavnim destinacijama

In the last episode, Else Cattani dies in her husband's arms in an assassination attempt on him. The Baroness feels compelled to continue living with her husband Francesco for the good of their child, knowing that he had commissioned a failed assassination attempt against her lover Arcuti. Following this, Corrado continues his investigation, and an unsuccessful attempt is made to assassinate him.

## Pirogravura

Tano's machinations reach their peak as he strategically marries Ester Rasi, daughter of powerful insurance company president Filippo Rasi, and after realizing that she is actually helping the police, kills her. The action and convoluted criminal dealings take the viewer from the Mafia heartland in Sicily to banking centres in Luxembourg, Switzerland, and Bavaria, all the way to Africa, where the Mafia is conducting clandestine drug and weapons deals.

Brenno has made his way to the top of the organization with unprecedented brutality, not only killing internal rivals but also targeting those who are seen as meddling from the outside. Audience response was generally positive, and the show won several international prizes. The third season tells

the story of the Mafia's financial dealings through international banks and the illegal trafficking of weapons and nuclear waste.
