The 2020 Sustainability Report and Implementation Plan show a further 12% reduction in water use as well as 35% total reduction in energy use intensity since 2003. The chief of staff exercised a general supervision over the several staff departments, and at his commander's discretion also assisted in the direction of line operations; the adjutant general headed a department responsible primarily for the issue of orders; and the inspector general through his department maintained discipline and efficiency.

History Publications

Covers all or parts of six states.

History of the U.S. Army Transportation Corps

Supporting navigation by maintaining and improving channels was the Corps of Engineers' earliest Civil Works mission, dating to in 1824 authorizing the Corps to improve safety on the Ohio and Mississippi Rivers and several ports. Explains how the Engineers came to acquire that mission during the great Mississippi River flood of 1882.

The Civil War Defenses of Washington: Historic Resource Study (Bibliography)

This report is the fifth in the series of Engineer Historical Studies.

History of the U.S. Army Transportation Corps

Alexandria, VA: The Friends of Fort Ward, 1989.
