### The Global Struggle for Work

Gangs of day laborers were transformed into legions of semiskilled workers running transportation and equipment handling machines.

### Working Conditions in Factories (Issue)

In 1900 the seat have been famously won by Keir Hardie in 1892.

### Socialist Trade Union Poster Photo collection

He had a fine, earnest face, and a serious manner in dealing with the sufferings of the workers. These early signs of worker consciousness demonstrate the workers' desire to create alliances in response to the insecurities of factory work and urban life, and also the workers' rejection of the capitalist labour market in which they were treated as commodities. He excelled at school and should have gone into further education, but the financial situation at home ensured that he left school at 14.

### Victorian Child Labor and the Conditions They Worked In

However, we will look into some of the more prevalent jobs that children did in Victorian times.
