## Kenney's Alberta Autonomy Panel given questions answered 15 years ago by Klein's Strengthening Alberta's Role in Confederation Committee

The Electoral Boundaries Readjustment Act states that decennial census data are to be used to redefine FED boundaries. The Government of Alberta had long had concerns about the flaring of natural gas at Turner Valley, a practice it believed to be wasteful. If you have First Nations ancestry certain additional records can help better identify those ancestors.

Section B provides a listing of the Canadian newspapers most frequently cited by contributors to the volume. If your party loses, you dust yourself off, reassess your policies and your campaign platform, figure out what went went and how to appeal to voters next time, and go into the next election with a reasonable chance of throwing the burns out and winning government. Researching First Nations ancestors can be particularly challenging because use of the records is often restricted.
