Arnold Krammer

But, unlike internment, which was based, however inaccurately, on something the individual did or was supposed to have done, the incarceration of Japanese Americans was based on birth or ancestry plus—and this is important—where they happened to be living in March 1942.

Undue Process : The Untold Story of American's German Alien Internees by Arnold Krammer (1997, Hardcover) for sale online

While I find this issue very important and interesting, as all governmental overreaches should be examined and held accountable regardless of the number or race of the victims, I found the book a tedious textbook that was not nearly as engaging as Dr. Japanese American Women: Three Generations, 1890-1990. As they experience life in an internment camp in Texas and repatriation to Germany just as bombs began to fall near the end of the war, the young girl—Anneliese—calls on the reserves of courage, ingenuity, hope and love that her remarkable parents have taught her, and survives.
