Craven, The International Covenant on Economic, Social, and Cultural Rights: A Perspective on its Development 1995.

University of Mississippi Library Catalog Books

Abstract in American archivist, 24:196 Apr. This private library collection consists of over 20,000 books and serials dating from the 17th century to the present that deal with the history, language, and culture of Carpatho-Rusyns in all regions where they reside in the European homeland as well as in the diaspora especially the United States and Canada. It can be easier to search this index for more relevant results.

Bibliography

Maier, Public International Law in a Nutshell 2d ed. Other pages on the CIJ site are concerned with the investigation and prosecution of war crimes in the former Yugoslavia and Rwanda. Begins with early 20th century British interests in the Middle East, continues through the establishment of Israel and on to British diplomatic relations with Israel and the Arab States in the early 1970s.

Bibliography

An overview of the doctrinal and institutional framework of international human rights.

Browse subject: Bibliography

Charter, the ICJ Statute, an online tour, and a calendar of conferences and observances. This bibliography attempts to organize the information and materials into categories in order to ease that burden.

Bibliography

All original research articles published by BioMed Central are made freely and permanently accessible online immediately upon publication, but BioMed Central also provides access to various additional journals and resources that require a subscription.
