## Site

While there, the historian set up tight contacts with Romanian intellectuals who originated from Transylvania and who, in the wake of the affair, supported while objecting to the intermediary rule and the threat of. Having achieved fluency in some 12 foreign languages, he was an exceptionally prolific author: according to his biographer Barbu Theodorescu, the total of his published contributions, both volumes and brochures, was 1,359. After spending most of 1898 on researching various subjects and presenting the results as reports for the Academy, Iorga was in , the largely Romanian-inhabited subregion of Austria-Hungary.
