We cannot do our ground-breaking report without your support. It eventually necessitates wholehearted entry into everything that we are, including what we dislike about ourselves.

Russia's Women: Accommodation, Resistance, Transformation / Edition 1 by Barbara Evans Clements

Fanger discusses works of authors like Radishchev, Karamzin, Tolstoy, shown above, and Dostoevsky. There are conflicting reports of their nature, as they are hostile to both humans and Chimera, and have been seen to act very savagely, yet possess advanced technology although this technology is believed to have been created by a different species and the Cloven are simply using it.
