### Female offenders

Moreover, 60% of women in jails under local control have not been convicted of a crime and are awaiting trial.

### The Criminal Justice System's War On Women

Between 1980 and 2019, the number of incarcerated women increased by more than 700%, rising from a total of 26,378 in 1980 to 222,455 in 2019. Therapeutic Communities 21 2 : 91-104. Washington, DC: Bureau of Justice Statistics; Zeng, Z.

### Women's Mass Incarceration: The Whole Pie 2019

If you have a question about a particular prison, contact that directly.

### What are the unique treatment needs for women in the criminal justice system?

For example, women are more likely to experience economic hardship, employment instability, and fewer vocational skills as compared with males.

### A Woman's Journey Home: Challenges for Female Offenders and Their Children

Substance Abuse and Mental Health Services Administration, Rockville, MD, p. In Female criminality: The state of the art, ed.

### • Chart: The Prison Gender Gap

The majority of women in the correctional system are mothers, and a major consideration for these women is reunification with their children. Other rate calculations among youth in this report are based on youth aged 10 through the upper age of juvenile court jurisdiction.

## **What Are the Main Differences Between State and Federal Corrections?**

Wraparound models stem from the idea of wrapping necessary resources into an individualized support plan Malysiak 1997, 12. One year later, there were 14 percent fewer youth in replacement, but their genders are not reported.
