It took thought over later interpersonal experiences to enable me to modify the abusive traits I had absorbed and to establish my own values.

Abused Boys: The Neglected Victims of Sexual Abuse by Mic Hunter

When not properly treated, this can result in a lifetime of PTSD, , and. I was basically projecting just one thing SEX.

Abused Boys: The Neglected Victims of Sexual Abuse

When I go to different congregations, the people feel unequipped. All the adults looked the other way. A long overdue book by a psychologist who has extensive clinical experience treating male victims of child sexual abuse, it explodes the myth that sexual abuse of male children is rare, or that the consequences are less serious than for girls.

Abused Boys...

I've tried my best to look for a happy childhood memory to no avail. If most victims go on to be perpetrators then the majority of abusers would be female! I have 3 siblings, a medical doctor sister, 10 years older than me, she suffered from depression, mania and schizophrenia when she got to year 2 of medical school, it was a tough one on the family, she's stable now, she lives a close to normal life, she just has to take her drugs

everyday.
