Running the Amazon book by Joe Kane

It is a big group to begin with, and lots of bickering which was annoying but I suppose that is the way it is. What a amazing and provocative adventure.

Running the Numbers on Amazon Prime Day

After reaching via a goat trail a glacial trickle above 17,000 feet--debatably the farthest source of the Amazon--the team descends to a point where kayaks can be deployed. About the Director James Moll, was born in Allentown, Pennsylvania hence, the name of the company.

The author is invited to document the first ever attempt to kayak the entire Amazon from the headwaters somewhere in the mountains of Peru through the Amazonian jungle and finally to the sea. Not least of all, Running the Amazon shows a polyglot group of urbanized travelers confronting their wilder selves -- their fear and egotism, selflessness and courage.

After passing through the terrorist zone, the raft was converted using balsa logs, bamboo and vines to make it a bit more comfortable. As it unfolds an engaging story, it also gives readers an understanding of the roots of genocide. But they give us one helluva ride along the way.

Running the Amazon by Kane, Joe

It is the story of Jean Patrick, a Rwandan Tutsi who is a runner and of his family and friends. While it would be counterintuitive to pronounce this a winning, feel-good story, there is something to be said for hope restored.

But in many ways the water is the least imposing obstacle to success.

Interview: Piotr Chmielinski, 30 years on, Running the Amazon (Part 3 of 3) » Explorersweb

Kane gives a vivid account of running the rapids--some of the members were swept into the river, barely escaping death. It continued down rapids so fierce they could swallow a raft in a split second. Without being able to re-supply, food had to be rationed strictly and any wild foods found would also be utilized.
