What Is The Current State Of Free Speech In The United States?

Charles Schenck and Elizabeth Baer were members of the Executive Committee of the Socialist Party in Philadelphia, which authorized the publication of more than 15,000 fliers urging people not to submit to the draft for the First World War. This action would cause an uproar of chaos, and has the potential to cause immediate harm to others. How much we value the right of free speech is put to its severest test when the speaker is someone we disagree with most.
