Better World Books: East via United States Hardcover, ISBN 9780875841380 Publisher: Harvard Business School Pr, 1987 Used - Very Good. Accessories such as CD, codes, toys, may not be included. The experiences from teaching and speaking about the emerging concept enabled us to communicate the essential ideas in ways that were accessible and understandable by a group of practitioners who had no direct experience with the concept, as captured in the initial set of teaching cases.

[PDF] Relevance Lost: The Rise and Fall of Management Accounting

We also exposed the ideas to wider audiences by publishing papers in practitioner journals, including Management Accounting, Journal of Cost Management, and Harvard Business Review. Essential reading for controllers, students of management and management consultants.
