The abortion rights controversy in America : a legal reader : Hull, N. E. H., 1949

This rich, balanced collection is an indispensable reference tool for the study of one of the most passionate debates in American history. It brings together the writings of doctors, lawyers, scientists, philosophers, elected officials, judges, and scholars as few other legal readers do, and it is essential reading for those engaged in the ongoing debate about abortion law in the United States. Romania, Japan and the Soviet Union experienced declining birth rates when abortion was made available and New York City saw a decline in illegitimacy of approximately 12% from 1970 to 1971.
