No courses taken for a major may be counted toward a minor; and vice versa.		
PSPA 101	Issues in Contemporary Politics	3.0/3 cr.
A course that examines the global context of politics, focusing on the changing world order in the twentieth century. Special attention is given to themes like democratization, civil society, ethnic conflict, human rights, and globalization. Four semesters.		
PSPA 201	Introduction to Political Science	3.0/3 cr.
An introduction to the study of politics with emphasis on the basic concepts, ideas, and issues relating to the process of government in the modern state. Each semester.		
PSPA 202	Introduction to Public Administration	3.0/3 cr.
A course on the nature of public administration. Basic concepts, processes, and approaches to the field of public administration are introduced so that the student develops an appreciation for the role of public administration in modern society. Each semester.		
PSPA 203	Research Methods	3.0/3 cr.
A course that focuses on the problems involved in asking and answering questions about political science and public administration. This course presents the various methodological frameworks and methodological tools used for this purpose with emphasis on empirical approach, data collection, and analysis. Students cannot receive credit for both PSPA 202 and PSPA 203. Each semester.		
PSPA 209	Politics of Language	3.0/3 cr.
A course designed to explore the political aspects of language in a variety of different contexts such as politics, media, gender relations, and ethnicity. This course prepares students for writing and critical thinking activities in upper-level PSPA courses. Biennially.		
PSPA 210	Introduction to Political Thought	3.0/3 cr.
An introduction to the main Western and Islamic traditions in political philosophy and political theory. This course will count as a humanities, not a social science course. Students cannot receive credit for both PSPA 202 and PSPA 210. Each semester.

Introduction to Public Administration Book in pdf

They laid emphasis on the principle of dichotomy between politics and administration. The only objective of the prince shall be to ensure good administration. The culture, political system, nature of state of these new states were different from those of the industrialised nations of the West.

INTRODUCTION TO PUBLIC ADMINISTRATION

Public administration functions not only under political direction but also according to the directions given by the legislature and elected political leaders. Paraphrasing is acceptable, but try to keep paraphrasing to a minimum.

Study of by Woodrow Wilson (1887)

These managers oversee the administration of social and community service programs for government agencies or nonprofit organizations. In the opinion of Machiavelli the sole aim of the prince should be to bring Italy under the umbrella of good administration and while doing this the prince need not pay any recognition to the standard meaning of religion, value, morality, ethics etc.

Introduction to the Study of Public Administration

White, 1952 Box 20 Folder 4 Three Jeffersonians, a series of lectures under the auspices of the Charles R. It was thought that it could never be the duty of public administration to run the day-to-day administration of the state. Your ordinary constitution will last you hardly ten years without repairs or additions; and the time for administrative detail comes late.

Introduction: Public Administration

Free will, choice, purpose and values play a vital role in its functioning. The company through management is able to resource, arrange and operate its financial resources, technological resources, natural resources and the human resources.
