Most initiatives are presented to the NPCSC for consideration by the State Council after previous endorsement by the Communist Party's Politburo Standing Committee.

China's Domestic Challenges

Chinese settlers moved away from the frontier, and the policy of resettling the unruly Qiang people inside the frontier made control of the region from Luoyang difficult.

The US

The spokesperson said that it is a typical double standard for these politicians who choose not to mention their own national security legislation, but repeatedly and viciously attack the national security law in Hong Kong. At one end of the political ideology extremes is anarchism, which contends that individuals should control political activities and public government is both unnecessary and unwanted.

China urges external forces to stop meddling in HK affairs

Economic development and rapid urbanization have spurred massive internal migration, largely from the countryside to towns and cities, by individuals in search of jobs and higher wages. His primary advisor on national security at the time of this writing State Councilor Dai Bingguo played a central role in informing and advising him on key policy decisions.

U.S. Policy Toward China

The Provincial People's Congress, in turn, elects members to the National People's Congress that meets each year in March in. It is important to note, however, that unemployment elsewhere causes millions to leave home in the rural areas.
