Ken Follett published this book in 1976 under the pseudonym Zachary Stone. Put yourself in 1986 or whenever this was written when you read it. Having never read any of the author's better-known works, I launched into it with no preconceptions as to style or gravitas.

### MODIGLIANI SCANDAL KEN FOLLETT

And though it's not as deep and meaningful as he once might have wanted it to be, it's still highly entertaining and a great page-turner, despite being a little raw. I've come to realise that a good climax drags The Modigliani Scandal - Ken Follett.

### The Modigliani Scandal book by Ken Follett

Estava à espera de mais. She wants to study it for her doctoral thesis on the relationship between drugs and art.

### Modigliani Scandal by Ken Follett

The Modigliani Scandal - Ken Follett.

### The Modigliani Scandal

No suspense, no thrills, no twists, no witty dialogue, descriptive narrative or even any compelling imagery. Binding is tight and sturdy, trace of rubbing to board extremities, very light foxing to top edge of textblock, internally clean with no markings.

### Detailed Review Summary of The Modigliani Scandal by Ken Follett

The pacing is too rushed and the characters too undeveloped to be engaging and empathetic respectively. The book beyond being just a thrilling novel serves as well as a critique of art galleries and auction houses for their lack of interest in the traded paintings per se but only, or mostly, on the financial benefits they carry, notwithstanding the actual pictorial quality of the work.

## **The Modigliani Scandal Summary & Study Guide**

Those elongated, haunting figures, as eternally provocative as the Mona Lisa. There was one plot twist that ventures into the implausible that twisted me so hard I nearly broke my neck, but then I have seen enough improbabilities in real life to not be too critical of an author who maybe is getting too clever. Signed by Ken Follett on the title page.

### **The Modigliani Scandal book by Ken Follett**

Unarguably one of the greatest artists who ever lived.
