It's your choice and there's no deductible! The year-long rowing season provided much excitement for local crew enthusiasts, but in addition, it brought world recognition to our university. The instruction load is increasing continuously as courses are re- shaped to fill new and changing needs.

## Full text of coast

It is not my design to press upon your attention those virtues requisite for great success in all honourable pursuits ; sobriety, industry, perseverance, honesty; you are too well convinced of their importance to need any extraneous encouragement to their cultivation. We encourage the use of public domain materials for these purposes and may be able to help.
