New Poverty Studies: The Ethnography of Power, Politics, and Impoverished ...

The sooner we begin analysing and understanding the diversity of urban contexts, the sooner we will understand how to reduce this growing and relatively neglected share of poverty in a sustainable way. It is a culture in the traditional anthropological sense in that it provides human beings with a design for living, a ready-made set of solutions for human problems, and so serves a significant adaptive function.

Poverty Perspectives: 'basic Needs Approach' Vs. 'capability Approach'

{35} All the inhabitants of the earth are reputed as nothing; He does according to His will in the army of heaven And among the inhabitants of the earth. However, it is possible that we all prefer informal sources of information in the first instance, and go to formal sources when the information need is not met within our own personal network.

Millions of black students attend public schools that are highly segregated by race and by income

Second, Filipinos are often described as having a strong adherence to family-oriented values emphasizing cohesiveness among immediate family members and extended relatives, respect for elders and parental authority, and mutual obligations.

Urban poverty and the family context of delinquency: a new look at structure and process in a classic study

In normal times, there might be many attributes that cities strive to compete on and excel at the global level, including livability, competitiveness, and sustainability, but in any given day and especially in a time of crisis, a city must function well for its citizens. Fruitfulness includes the crops in the field and the seven strong sons and enjoying the work of your hands. They noted two types of information channels: formal mass media, social agents and agencies and informal interpersonal sources, eg, friends, neighbours, relatives Childers and Post, 1975: 38.

Poverty is urbanising and needs different thinking on development

How To Define Poverty The concept of poverty needs a clear and practical definition; it is still an ill-defined notion revolving around money. Do not seek them; for I am going to bring disaster upon all flesh, says the LORD; but I will give you your life as a prize of war in every place to which you may go.

Prosperity and Poverty in the Urban Context

Toward a More Global Perspective in Poverty Studies The SRA grant has been instrumental in my goal to contribute international perspectives to the study of poverty and resilience. Received Sylff fellowship in 2008.
