## De doctrina Christiana

This leaves us with an obvious question: How can we know the origin of a doctrine? Reviews of the Introducing Christian Doctrine To date concerning the book we have now Introducing Christian Doctrine comments people haven't still left their writeup on the action, or otherwise make out the print still. If it fails one, it fails all of them. He admits in his preface that it was his editor who is responsible for being able to chop down his work in such a radical way, and I fully understand that the hardest task for a writer to do is to edit down his own work.
