Be Gay, Do Comics by Matt Bors

A lot of the text was inaccessible for readers with lower visual acuity. So hit play, and let your rainbow flag fly. I don't understand how such bad representation ends up in print.

50 Best Gay Songs to Celebrate World Pride Month All Year Long

Nearly a quarter century later, this classic track from one of the most gay-beloved artists of all time sounds no less imperative. Over time, however, the heroic efforts of trans people of color have been overlooked and white men have appeared as the leading protagonists in the Stonewall uprising. Be Gay, Do Comics is filled with dozens of comics about LGBTQIA experiences, ranging from personal stories to queer history to cutting satire ab The dream of a queer separatist town.

Writing Gay History

She offered a candid account of the racism and sexism that women of color faced in the black freedom struggle in the United States and across the globe, offering examples from the then recent Algerian War of Independence.

The 5 Gayest Moments From the Premiere

Most were actually very nuanced and reminded me of the diversity of the queer experience. Why do you need to stress yourself out about getting rejected face to face when you can put your best foot forward? A supernatural and non-binary being wants to help her out and gives Hanna a super-switcher device, a kind of remote control that allows her to change gender.

Hulu's 'Into the Dark' tackles gay horror in 'Midnight Kiss'

Writing AIDS: Gay Literature, Language, and Analysis. Like -- this felt like Queerness 250-level content.

HIV and AIDS in Irish Theatre: Queer Masculinities, Punishment, and 'Post

It had a brilliant variety in topics, genre and art style, which I definitely appreciated! This book collects comics from a large number of diverse artists who all explore some aspect of gender and sexuality, through nonfiction pieces on LGBTQ+ history or specific individuals, or through personal memoirs. *Gay and Grey* includes poetry, fiction, memoir, social criticism, and even a performance piece.

50 Best Gay Songs to Celebrate World Pride Month All Year Long

Like -- this felt like Queerness 250-level content. Recorded at the height of America's AIDS crisis and inspired by New York's underground gay ball scene famously documented in the 1991 film *Paris Is Burning*, Madonna's deep-house—inflected 1990 smash commands you to leave the heavy stuff aside—if only for a few minutes—and find salvation on the dance floor. I loved most of these but a few didn't hit with me.

50 Best Gay Songs to Celebrate World Pride Month All Year Long

Definitely more OK with it than straight people are. Beginning in the 1940s, scholars began to challenge that view by uncovering accounts of slave revolts as well as compelling evidence of everyday acts of resistance and defiance. We find ourselves feeling the alienation that James Baldwin describes in *Autobiographical Notes*, when he goes to the great achievements of Western Art and Culture, and sees nothing of his history, of his accomplishment.
