Light Division (United Kingdom)

Bright gilt titles and Soldier with sword is on both the spine and the front board.

COSTELLO : THE TRUE STORY OF A PENINSULAR WAR RIFLEMAN

Lively sallies of wit cheerfully received as guilelessly shot forth added brilliancy to the festive board. David Johnson, Napoleon's Cavalry and its leaders 1978.

Hathaway Eileen

. The unforgiving climate and mountainous terrain materially affected Wellingtons strategy, and it was his commanding presence that enabled the many logistical problems to be overcome. The mess served as a dining room and a place for entertainment for over 150 officers on any given day.

COSTELLO : THE TRUE STORY OF A PENINSULAR WAR RIFLEMAN

Very good account by an officer in the 43 rd who served at Walcheren and then in the Peninsula.

The British Regimental Mess in the Peninsula War

I hope you can join us.

Dr Adrian Goldsworthy

. The Gun was published in July 1933, as an isolated bit of thinly fictionized history, an episode in the Spanish campaign of the Napoleonic Wars

when guerilla bands, under the leadership of a patriotic priest, captured a gun and moved it over incredible barriers.
