Andrew Gordon, Labor and Imperial Democracy in Prewar Japan Berkeley: University of California Press, 1991 , pp. Aldershot, Hants, England : Avebury ; Brookfield, Vt. The imperial supervisory body was an inter-ministerial body.

Hate Speech and the Polarization of Japanese National Newspapers

It was planned to encompass all economic activities of Japan at all times, not only in wartime.

Hate Speech and the Polarization of Japanese National Newspapers

Wilson argues that this metropolitan new media had limited influence in rural areas in Japan in the early 1930s. After a series of discussions among these key players, the imperial supervisory body was established as the Three-in-One System in July 1932.
