Santa Maria della Salute, Venice, at Sunset by Edward Lear

The rhythm of the triangles, the pediments, seems to support the dome. Laza Kostić, o čijoj biografiji ćete više saznati nakon analize pesme, Lenku je upoznao kada je imao 51 godinu, a ona 21.

Santa Maria Della Salute

U trećoj strofi, Laza nastavlja da se pokajnički obraća Bogorodici u čiju je čast sagrađena crkva Santa Maria della Salute, ali prvi put pominje i kajanje za ostale grehe koje je počinio tokom života. Dve u meni pobise sile, mozak i srce, pamet i slast.

FESTA DELLA SALUTE

Sve ce se zelje tu da probude, dusine zice sve da progude, zadivcemo svetske kolute, zvezdama cemo pomerit' pute, suncima zasut' seljanske stude, da u sve kute zore zarude, da od miline dusi polude, Santa Maria della Salute.

Santa Maria della Salute (2016)

This beautiful and remarkable place was chosen deliberately. Et toujours suivie de douceurs nouvelles, céleste avatar des charmes d'ici, me fraie le chemin pour la retrouver, Santa Maria della Salute. De coração partido e cabeça confusa A memória dela cada vez mais presente.
