Books : the classical heritage of the middle ages by osborn taylor henry

Translations thus overcame the barrier of language. The dust jacket for hard covers may not be included.

The classical heritage of the Middle Ages : Taylor, Henry Osborn, 1856

Shipped to over one million happy customers. Herein were hymns and other religious poems; also poems of a secular character.

The classical heritage of the Middle Ages : Taylor, Henry Osborn, 1856

Very minimal damage to the cover including scuff marks, but no holes or tears. But his phrases seared themselves into Latin Christendom in the third and fourth centuries, and passed into the language of dogma, and his writings were a store for later Apologists. By that time Greek was no longer generally understood in Italy and the Latin-speaking provinces of the Empire, and many Greek Christian writings were translated into Latin, and usually were abridged or otherwise modified.

The Classical Heritage of the Middle Ages

We stock every new title under various genres with endless array of enduring classics. His contemporary, Paulus Diaconus, wrote both metrical and accentual verses, see Ebert, Allge. Other reasons were to keep early Latin as well as Greek Christian authors from being read in the Middle Ages, to wit, their antique tone, and because the circumstances under which they lived and wrote were different from any situation that the Middle Ages were to Experience or could understand.
