Veda Nivas

The living entity gets what he deserves and is carried by the material body which is created in the material energy under the direction of the Supersoul. They are twelve in number.

The Mahabharata, Book 13: Anusasana Parva: Section CXLIX

Gita, ' Mamupetya tu Kaunteya punarjanma na vidyate,' etc.

The Mahabharata, Book 13: Anusasana Parva: Section CXLIX

It was Atri who reminded Dronacharya of his dharma and made him withdraw from the war. The company does not make any representation in regards to the compliances done against these projects.

The Mahabharata, Book 13: Anusasana Parva: Section CXLIX

Vishnu is the one great element or substance which has spread itself out into multifarious forms. He is the highest Penance. Vyala--He is a huge and fierce snake that inspires dread.
