## Brief summary notes on James's Art of

It is usual human nature to admire the beauty around us, such as we are often awe-struck when we see a painting, or read a beautiful poem, or listen to soothing! The seating in some cases would be moveable for more comfort. Then, in the second sentence, say what you did about it. Yet, the first scene alerts us to the true complexity of: this is a lighthearted comedy, for certain, but it has a dark side that must be reckoned with.

## Importance of Art in Our Life

Once entering the building one can distinguish a fast food restaurant, by the high traffic tile floors, plastic bench seating that does not move for comfort, and the poor taste of interior design with small amounts of decoration. News of these plots has prompted Macbeth to prepare for war.
