China as a 'Great Power' and East Asian integration

Firstly, it is an authoritarian structure, with the son of heaven the emperor at the centre, bureaucrats, intellectuals and ordinary Han Chinese in the middle of the circle, and barbarians on the outside. Capital flows, innovation, and technology potentially stand poised to complete the picture. ISBN 9789350980361 hardback Series Australia India Institute foreign policy series ; 1.

Ya Tai guo jia dui Zhongguo jue qi de ren zhi yu fan ying = Cognitions and responses of some countri...

To keep apace, Washington will have to do more to reinvigorate American technological leadership. In response to the China challenge, U. Bureaucracies to Better Compete in the Indo-Pacific Increase key U.

Rise of China and India : implications for the Asia Pacific / edited by Amitabh Mattoo, Mallika Jose...

At the same time, a new critical component of the defense industrial base has emerged in the form of companies developing advanced commercial technologies with significant military applications, as discussed above. If India addresses unfair limits on market access for U.

China as a 'Great Power' and East Asian integration

All this means that China faces a deep budgetary challenge in dealing with growing health, elderly care, and social security costs for its population.

ASEAN, the China Threat and the South China Sea Dispute

There are also divided views within China on the wisdom of Xi Jinping having abolished term limits at the 19th Party Congress for the position of President. With respect to security matters, the United States should reaffirm its commitment to the Taiwan Relations Act at high levels and with greater frequency.
