李淑贤 1924

Davis switched from the Federated Malay States Police to the intelligence world, where he planned the infiltration of Chinese intelligence agents and British officers into the Malayan peninsula. By June, 1948, the Malayan Emergency erupted and Chin Peng, four months shy of his 24th year, became the British Empire's most wanted man by Margaret Shennan Book 1 edition published in 2014 in English and held by 4 WorldCat member libraries worldwide When the Japanese invaded Malaya during World War II it seemed that John Davis's service in the country had come to an end.

Liu, Mingfu 1951

Immediately following the Japanese surrender, Chin Peng was appointed to the Central Committee and, ultimately, his party's policy-making Politburo. Margaret Shennan uncovers the radical and temperamental man whose propensity to challenge the decisions of his superior officers did not always make him an easy comrade, but whose courage and determination to get the job done won him loyalty and respect. Written by a veteran Chinese military specialist and scholar, The China Dream defines a national strategy to restore China to its historical glory and take the United States' place as world leader.

Pinyin (chino)

While still a teenager he was promoted to head the communist movement's activities in his home state of Perak. The Cultural Revolution followed and the couple were criticised by the Red Guards.
