## Social, economic and political context in Kenya

For example, these data sources may provide information on employment e. If the purpose of an assessment is to identify a particular health condition and treat it, the assessment will take a different shape than it will if its focus is to identify the social determinants underlying that condition.

## Social, economic and political context in Kenya

Related: Advocacy Planning These groups have their own needs which they represent through the preparation of plural plans. Pielke calls that situation abortion politics. At these meetings, conceptual strategic alignment can take place, and the advocacy person is born who can learn to trust you, work as your ally or true partner, and listen well.

## 6. Socio

Try little snippets of examples, paragraphs or introductions instead.

## Advocacy Planning

Are there economic and political factors that influence those conditions or issues? In sum, developing an interpretation is a rocky, complex and difficult ride but have patience, it will all pay off in the end.

## Advocacy Planning

Your first decision here is to consider what you want to assess. Consider how to frame the problem and the solution to attract the interest of your audience and ensure the message is culturally sensitive.

## 6. Socio

If this is a problem, review each principle and determine challenges to adherence. I do not want to belabor the point, but I do want to repeat it: The champion must be powerful.

## **A planning approach for fast changing “Socio**

Ultimately, only one senior manager failed to agree to the project.
