### Peter Berger's Moral Compass

A 5-tier pyramid best describes the impact of different types of public health interventions and provides a framework to improve health. It is often difficult to fight a powerful opposition, and the obstacles can seem insurmountable, as they were during the civil rights movement of the 1960s. Do you agree with this statement? His petition amassed over 700 signatures, and this ongoing struggle was prominently featured in many articles in the student newspaper.

### An Anthropological Perspective on Social Change

LIFE EXPECTANCY IN DEVELOPED countries has increased from less than 50 years in 1900 to nearly 80 years today.

### Review: [Untitled] on JSTOR

When working with communities, empowerment involves everyone working toward common, mutually-decided upon goals.

### Peter Berger's Moral Compass

These are difficult questions that do not admit to ready answers. I felt that anything I could do to improve society would help them too.
