Navajo Rugs

Today the Crystal area is famed for the vegetal dyed rugs designed with a striped motif. Above all, study, read and learn.

Related legends: Weaving After the medicine woman told the people about the prayersticks she told them that there was a place in the underworld where two rivers crossed. Now we have begun to buy the weavings of Beth's grandson, Calvin Toney. In some respects this is true.

Navajo Rugs and Navajo Blankets For Sale

Only in some of the great blankets of a century or more ago do we see equal skill manifested.

Navajo Rugs

The beauty of this rug is almost mind-boggling in its monochrome coloration.

Navajo Rugs, Past, Present & Future, Buying, Cleaning, Collecting, Weaving

So this seed was planted in the earth? Find a place for this weaving in your home or office, and you will enjoy it day after day after day.

Navajo Rug Weaving Style / Design History: Pictorial Rugs

They said that the people were to use the plant instead of skins for their clothing. People used them, stored them, wore them out or just discarded them. One must bear in mind that the American west was not a civilized place when the Spanish arrived in the late Sixteenth Century.

Navajo Rugs

Three rainy days this past week brought an end to 6 months without measureable rain in our valley and the snow in the Sierra Nevada Mountains to the east is being measured in feet not inches! The answer to all of this questions lies in the realization that the products of the Navajo loom are true Native American folk art. In the late 1930s, Bill and Sally Lippincott bought the Wide Ruins Trading Post and encouraged the use of vegetal and native dyes.
