Studying Hinduism: Key Concepts and Methods

Sushil Mittal and Gene Thursby, leading scholars in the field, have brought together a rich variety of perspectives which reflect the current lively state of the field. As such, most readers of this book may expect to find in it a remedy for the regrettable but unavoidable myopia that naturally results from specialization. Sushil Mittal and Gene Thursby, leading scholars in the field, have brought together a rich variety of perspectives which reflect the current lively state of the field.

STUDYING HINDUISM: KEY CONCEPTS AND METHODS By Sushil Mittal & Gene Thursby NEW

This book is an indispensable resource for students and researchers wishing to develop a deeper understanding of one of the world's oldest and most multifaceted religious traditions. If prompted, choose Run or Save, then follow the rest of the prompts to complete the update. Through these complementary and exciting approaches, students will gain a greater understanding of India's culture and traditions, to which Hinduism is integral.
