Reconstruction (U.S. National Park Service)

This comparison does not hold across the board.

The South during reconstruction, 1865

Apart from a few states such as the in Virginia, the in Memphis , and a few other local organizations, the Democratic Party itself was very lightly organized. From 1868 on, campaigns and elections were surrounded by violence as White insurgents and paramilitaries tried to suppress the Black vote, and fraud was rampant.

The South after Reconstruction

The moderates in Congress wanted virtually all of them to vote, but the Radicals resisted. Although Johnson had sympathy for the plight of the freedmen, he was against federal assistance.

Reconstruction (1865

They set out to increase taxes which were unusually low. Merton Coulter is Regents Professor Emeritus of History at the University of Georgia.

Reconstruction (U.S. National Park Service)

Republicans sought to make inroads campaigning for the Irish taken prisoner in the into Canada, and calling on the to recognize a lawful state of war between Ireland and England. In 1873, the Supreme Court case decision in United States v. In the early 20th century, invasion of the devastated cotton crops in the South, producing an additional catalyst to African Americans' decisions to leave the South.

Reconstruction

Historian argues: What remains certain is that Reconstruction failed, and that for Blacks its failure was a disaster whose magnitude cannot be obscured by the genuine accomplishments that did endure. Tindall, The Emergence of the New South pp. To be allowed to reenter the Union, the

former Confederate states were required to agree to abolish slavery, but no federal law had been enacted to prevent those states from simply reinstituting the practice through their new constitutions.

The South during reconstruction, 1865

Passengers were few, however, and apart from hauling the cotton crop when it was harvested, there was little freight traffic. The ACC would take the lead.

Reconstruction

Most training centers, factories and shipyards were closed in 1945, but not all, and the families that left hardscrabble farms remained to find jobs in the growing urban South. The , an organization for communication and coordination between states, includes in its South regional office the states of Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Mississippi, Missouri, North Carolina, Oklahoma, South Carolina, Tennessee, Texas, Virginia and West Virginia. The goal of county courts was a fast, uncomplicated trial with a resulting conviction.
