University Libraries

It can be a bargaining point or the symbol of a contract - in short, it can mean as many different things as there are people in the world. You should also consider publishing your notes as you go as I do since that forces you to clarify your understanding and articulate it in a way that other people will understand.

Libraries and textbooks: fighting to stay relevant

Before you begin taking notes, take a moment to step back and think about your goal as a researcher—to find information that will help you answer your research question.

Sexual Self

People from all over the world come to the U.

How to write a book review and a book report · Help & how

The following strategies will help you take notes efficiently. And if you're not sure of something, ask. While it would ban books like Heather Has Two Mommies, it could also include classic and popular novels with gay characters such as *Brideshead Revisited*, *The Color Purple* or *The Picture of Dorian Gray* 2005.
