## Sagrada Família

Franciscan Mission of Tangiers In 1895 he designed a funerary chapel for the Güell family at the abbey of , but little is known about this work, which was never built.

## Casa Batlló: Antoni Gaudí's modernist jewel

Es el monumento más visitado de España con más de 4.

## Hotel Gaudí in Barcelona, Spain

Gaudí's exposition licence at the , 1888 The was one of the era's major events in Barcelona and represented a key point in the history of the Modernisme movement. Some quotes collected by his assistants and disciples have been preserved, above all by Josep Francesc Ràfols, Joan Bergós, and Isidre Puig i Boada. El entierro tuvo lugar dos días después en la Sagrada Família después de un multitudinario funeral: buena parte de los barceloneses salieron a la calle para dar el último adiós a Gaudí, el arquitecto más universal que la ciudad había visto.

## Hotel Gaudí in Barcelona

Gaudí rarely drew detailed plans of his works, instead preferring to create them as and moulding the details as he conceived them. A test of his expertise both in his field and in interpersonal communication was demonstrated in bringing together a large number of diverse professionals and creating an integrated team. Güell became Gaudí's main patron and sponsor of many of his large projects.

## El Gran Gaudí

Locally called Casa dels ossos House of Bones for its visceral, skeletal organic quality, the building has a great artistic and functional value. Rooms are unavailable for your trip dates on Expedia.

## Obras de Antoni Gaudí

In the early 1980s, work resumed in earnest on the Sagrada Família. *Industria, arquitectura y sociedad*, Barcelona, 2002, p. Annos natus LXXIV, vitæ exemplaris vir, mirabilis operis hujus, templi auctor, pie obiit Barcinone dit X Junii MCMXXVI, hinc cineres tantis hominis, resurrectionem mortuorum expectant.

### **'La vampira de Barcelona' i 'Las niñas', grans favorites als premis Gaudí**

The sketch of the project was done by Lluís Bonet i Gari, Gaudí's assistant. He lived in the house until 1925, several months before his death, when he began residing inside the workshop of the Sagrada Família.

### **Gaudí's Accidental Death: Why The Great Architect Was Mistaken For A Beggar**

Gaudi era pionero en su campo utilizando color, textura y movimiento de maneras nunca imaginadas anteriormente.
