## **Mufti Yusuf Ludhyanwi Shahid & silsilah of Mawlana Allah Yar Khan**

Qizig'i shundaki, bugungi kungacha odamlar internetda ochiq manbalarda mavjud bu ma'lumotlarni o'qimagan. Keyinchalik u binoni biroz kengaytirib senatorlar uchun joy qilishdi, hozir esa prezident saroyi.

## **Mufti Yusuf Ludhyanwi Shahid & silsilah of Mawlana Allah Yar Khan**

Turli ko'rinishdagi bosinlar avj olgach, 1993-yili O'zbekistonni tark etishga majbur bo'ldi — ma'lum muddat Turkiyada yashadi va keyinchalik AQShdan boshpana oldi. Jahongir Muhammad: Men ularning Sh. Inoyatov — AO o'rtasida qarshilik bor deb o'ylamayman.

## **Mufti Yusuf Ludhyanwi Shahid & silsilah of Mawlana Allah Yar Khan**

It is unjust and absurd to compare and equate classic Islamic knowledge and tradition to Kashf and then force people to believe in both of them equally and consider them both equally valid. Ya'ni kitobdagi asosiy voqealar hayotda bo'lgan. Ya'ni oltinchi qavat juda ko'p insonlarning o'sha qora lahzalariga guvoh bo'lgan.

## **Jahongir Muhammad: "Hatto Mirziyoyev ham oltinchi qavatdan hazar qildi" « Muhojirmoma**

Balkim shuning uchunni Shavkat Mirziyoyev voz kechdi bu binodan. Kitobda hattoki bo'rttirish yo'q, aksincha biroz kamaytirilgan. Mana shu joyida odamlar cho'chib turibdi, yana aylanib eski davriday bo'ladi degan qo'rquv bor ularda.

**Staff**

Jowai: U Shellsing Langi ha ka khubor wa phah u, da ong u wa ym hiar u na i kaam Wahch Chnong ka Ummulong. Men shulami hammasini jamlab bir joyga yig' dim. If you want to undermine the importance of Kashf of the grounds of being subjective then what would you do with Islamic Fiqh? The condemnation of the entire Silsila by has also been produced.
