I would not intrude on him, A dime, another ball, is worthless.

Lera Boroditsky: How language shapes the way we think

Logged Basque Euskara Basque is a language with no known linguistic relatives spoken by about 660,000 people in Spain and France, mainly in the Basque country Euskal Herria.

Basque Mythology

However, if we look closely we can see this is not completely true. Whether you agree with me or not, I think the link between the Glosel Tablets and Atlantis is reasonably solid.

Extinct languages / [Translated from the original German by Frank Gaynor] par Friedrich, Johannes (1893

The last words are here? Death knots his net ... Colors that are nothing but extrusions of flesh narcotize him philosophically ... The adducing of extremes, so as to be able to spit them out. My wings tremble like the long-billed curlew when he foretells the sun and the rain.
