## **Social safety nets: ILO/Japan Fund for Building Social Safety Nets in Asia and the Pacific (SSN Fund)**

A crisis can spread rapidly and have a dramatic adverse impact on an entire regional economic system and labour market. Recent economic crises have revealed the need for adequate social safety nets to protect vulnerable populations from calamity. Keeping children out of work and in school. The establishment of social safety nets for vulnerable people have become more important than ever as the world globalizes.

## **Social safety nets: ILO/Japan Fund for Building Social Safety Nets in Asia and the Pacific (SSN Fund)**

The programmes also expect to bring development through partnership between ILO offices, social partners, and NGOs in the region. Practices will build capacity of government bodies, which is indispensable for implementing labour policies regarding the adoption of social safety nets and realization of decent work for all.

## **Social safety nets: ILO/Japan Fund for Building Social Safety Nets in Asia and the Pacific (SSN Fund)**

Increasing rates of migration and a growing informal economy, as well as the need for women's empowerment are also key issues to work on.

## **Social safety nets: ILO/Japan Fund for Building Social Safety Nets in Asia and the Pacific (SSN Fund)**

In response, a number of international organizations, including the ILO, took the initiative to promote social safety nets in Asian countries.

## **Social safety nets: ILO/Japan Fund for Building Social Safety Nets in Asia and the Pacific (SSN Fund)**

The Fund also responds to natural disasters by implementing crisis response activities in the affected areas to support disaster recovery.
