Christ Triumphant by Thomas Allin

The account given us in this chapter concerning it, is very full; and it may do us much service, under God, to make some remarks upon it. Nor need it seem at all incredible, that the generation who covenanted at mount Sinai, should, the greater part of them, be deceived, and think their hearts thoroughly disposed to give up themselves for ever to God, if we consider how much they had strongly to move their affections. We have always been taught to realize that coal is bottled sunlight.

George Whitefield: Selected Sermons of George Whitefield

All the trouble and danger, un avoidably accompanying such discipline, might have been saved us by our being made at once the creatures which we were to be.

George Whitefield: Selected Sermons of George Whitefield

Without wandering, or wavering, or hesitating, he continued his utterances as long as his strength permitted. Their father having been distinguished as a scholar, was able to give them, and actually gave them, a superior education. They forget how indefensible is a dogma which, in fact, divides God into two Beings, which represents the unchanging One as changing from love here, to wrath hereafter.

Works of Lysander Spooner vol. 1

They can be dispensed with, if rigid attention is given to the synopsis, as presented at the beginning of each chapter. Human nature is constituted

intuitively or instinctively to feel the eternity of something. She entered on the performance of the various duties to her family and the people, to which it summoned her, with a firm reliance on the guidance and support of God; and perhaps no stronger evidence can be given of her substantial worth, than that from the first she discharged them in such a manner, as to secure the high and increasing approbation of all who knew her.

An Apology for Atheism

The battle grounds were at 3, 1 ; and the lower precinct of the fourth ward. Al- though only twenty-five years of age, it has grown to that proportion that it now stands one of the first among the fraternal organi- zations, and well may be proud of its history. Having tried every expedient short of extirpation-oaths, fines, forfeitures, and imprisonmentwithout subduing the Scots, he, at length, conceived the idea of banishing then{ altogether out of the kingdom.
