## Do Androids Dream of Electric Sheep? by Philip K. Dick, Paperback

The central dilemma with androids — without the very human capacity to feel compassion for others, an android is nothing more than a solitary predator, a cold killer capable of murdering humans left and right to eventually take over. The film is an adaptation of a book authored by Phillip K. Dick in 1968 titled Do Androids Dream of Electric Sheep? Do Androids Dream of Electric Sheep? The first mistake that a new reader would make is to watch Blade Runner and expect a novelization of that film; it was LOOSELY based upon the book. If you watched the movie and thought you'd like to read this book, you'll find there were some elements left out of the movie that would have made it a very different film.
